Email 2 - Inquiry Regarding Summer Internship Opportunity

Subject: Inquiry Regarding Summer Internship Opportunity

Dear Sir,

I hope this message finds you well. My name is Pratyush, and I am currently a 1st year student pursuing BTech CSE at VIT.

I am writing to express my interest in potential summer internship opportunities at your organisation. I am particularly interested in gaining practical experience in Cybersecurity, AI and Machine Learning, and I believe your organisation would provide an excellent learning environment.

I have developed foundational skills in Cybersecurity and ML, and I am eager to apply and expand them in a professional setting. I would be grateful if you could share any available opportunities or guide me through the application process.

Thank you for your time and consideration. I look forward to your response.

Kind regards,

Awatans Asthana (25BEC10075)
